ORDER

Ronald P. Orth, a Field Representative of the Wisconsin State Employees
Union, filed an appeal on behalf of the Appellant relative to the location at
which a promotional civil service examination was conducted. Mr. Orth was sent
a notice of a prehearing conference in the matter but neither he, nor the Appellant
nor anyone else in his stead appeared at the appointed time. At the conference,
Counsel for Respondent Wettengel moved that the matter be dismissed on the grounds
of the Appellant's non-appearance at the conference. On October 29, 1974, the
Board sent a letter to both Mr. Orth and the Appellant advising them that they
had until November 11, 1974, to file a written statement with the Board showing
a reasonable excuse for the Appellant's non-appearance at the prehearing conference
and that if such was not received by the Board, the matter would be dismissed.

Appellant has not filed any statement with the Board relative to his nonappearance.

IT IS ORDERED that the case is dismissed.
